

ROBERT L. PETERS, ATTORNEY

Goo Gone® claims to be "The #1 Brand for Sticky, Gummy, Goopy, Greasy Problems" Wouldn't it be great to have a Goo Gone® formula for your debt?

Dear Friend,

You recently received a package from my office. We gave you an empty bank bag as a symbol and reminder that no matter how bleak your finances may be right now, there *is* hope!

We also gave you a copy of the special report "How to Get Out of Debt," which outlines 12 options for getting out of debt and restarting your life.

Hopefully you've had a chance to read it. Because today I want to know

Which option are you going to take?

What are you doing to get out of debt?

How's it working for you?

See, we found that most people have really good intentions when they first get useful information

Sometimes they start taking action right away, but then get bogged down and stuck handling the details.

Other times, they want to take action but are overwhelmed and don't know where to start. They're stuck before they even begin.

If you find yourself stuck trying to get out of debt, I can help!

Call 904-421-6907 (or 904-491-1083 if you're in Fernandina Beach) for your free, no obligation consultation. I'll help you come up with a plan to get out of financial trouble and restart your life. You'll get unstuck!

If you've been sued, it's vitally important that you secure legal advice as soon as possible. I hope you'll allow me to help you.

If you've already retained a lawyer for this matter, please disregard this letter. I've sent you this letter because I have been given your name as someone who is behind on their credit card debt or other bills. My knowledge about the specifics of your case is limited to the information that I was given.

I've helped hundreds of people get out of debt and restart their lives in the decades that I've been practicing law, and I know I can help you, too.

Sincerely,

Robert L. Peters, Attorney

P.S. Get unstuck and get out of debt! You CAN restart your life!
